

Meet our District Math Specialists for 2017-2018

Amanda Allen - Creek View Elementary

I am starting my 12th year in education and have loved every minute. I received my Masters degree in Educational Administration from Lamar University and my Bachelors degree from Texas A&M(WHOOP!). I taught 5th grade math in Conroe ISD for 5 years and then we moved back to College Station to be close to family. I spent two years in Bryan ISD as a Math/Science Instructional Coach and now I am the Math Specialist at Creek View Elementary. My husband and I have been married for 10 years and we have two sons, Brayden(8) and Connor(4). I absolutely love my job and being able to work with both students and teachers to help improve student success.

Pattie Bartosh - Greens Prairie Elementary

This is my 28th year in education and third year in CSISD. I have taught 1st, 3rd, and 5th grade, and have been a Professional Development Specialist and Instructional Coach in Bryan ISD. My husband (Josh) and I both received our Bachelor's degrees from Texas A&M University. We have been married 14 years, and have a son named Ben. He is currently in 8th grade, and keeps us very busy with baseball practices and tournaments. I absolutely love my job as the math specialist at Greens Prairie! I am extremely blessed to work daily with teachers who love teaching math and students who love learning math.

Annabelle Collins - Southwood Valley Elementary

I am starting my 7th year in education and my 4th year with CSISD. I received my Bachelor's degree from Texas A&M in 2011. I have taught bilingual/dual language 2nd, 3rd, and 4th graders. Teaching children and math are my passions! I am very excited to start my new journey as SWV's math specialist.

Stacey English - Southwood Valley Elementary

2017-2018 marks my 18th year in education and my sixth year as a Math Specialist. This year, I've been has been an exciting start adventure of the new year at Pecan Trail Intermediate. I have a Master of Science degree in Curriculum and Instruction from Texas A&M University (Whoop!). My past experiences include coaching volleyball, basketball, and track at the middle school level, as well as teaching middle school math and Pr

Lisa Fedora - Cypress Grove Intermediate

"The art of teaching is the art of assisting discovery."

--Mark Van Doren

I am proud to be serving my 24th year in education. This is my 11th year with CSISD. I have taught 2nd, 3rd, 5th and 6th grade math, along with 5th grade science during my educational career in multiple school districts. My husband, Lee, is the A&M Consolidated Head Football Coach/Campus Coordinator. We have two fabulous daughters, Jordan and Jolee. Math has always been my favorite subject to teach. I love helping kids understand math and become more confident. Seeing kids faces light up because they feel empowered and can solve problems independently is a blessing to me and a true indication of success.

Shori Grunkemeyer - South Knoll Elementary

This is my 15th year in education and the third year at South Knoll Elementary as the math specialist. I have taught at both the elementary and middle school levels and have enjoyed being a mentor teacher, master teacher, and instructional coach. I received my Master's degree in Educational Leadership from Sam Houston State University and my Bachelor's degree from Texas A&M University. My husband, Chris, works at Texas A&M University and we have 3 wonderful children - Jack(14), Tess(10) and Nora(8) - that keep us busy with football, soccer, and gymnastics.

Heather Hodge - College Station Middle School

This is my 19th year in education, all of which have been at CSMS. For 12 years, I taught 8th grade math, Algebra and Pre-AP Algebra. This is my 2nd year as a Specialist and I'm excited for this year as I know that I have a much better feel for what I need to be doing! My husband, Kevin, is the Director of Operation and coach for Twelve Baseball, a local select baseball organization. We have 3 children - Austin is 20 and is attending Blinn with the hopes to transfer to Texas A&M and get a degree in Sport Management, Ty is 14 and Nathan is 11. The younger 2 kids are very busy with football, basketball and, of course, baseball.

Stacy Konderla - Forest Ridge Elementary

This is my 25th year in education and 20th year in CSISD! I have taught second through fifth grade and worked as a Curriculum Coach at SWV. I am excited to be the Math Specialist at Forest Ridge and am looking forward to working with both students and teachers to achieve academic success. My husband and I both graduated from Texas A&M University, and our daughter is a junior in the Math Department. Whoop! Our oldest son has "flown the coop" and is working on his career while our youngest son is a senior in high school. We all love spending family time together- camping and playing card games.

Paula McCann - Pebble Creek Elementary

This is my 19th year in education and my 12th year in CSISD. All of my classroom experience has been in 1 - 5th grades. I have a Masters degree in Educational Administration. Before entering education, I wrote financial software programs for 8 years and have two publications. My husband and I were highschool sweethearts. We have 2 wonderful children. One is currently attending Texas A&M! The best part of my job is working with students and teachers. Every day is a new adventure and we can always learn more.

Lisa McIntyre - Spring Creek Elementary

I always knew I wanted to be a teacher and I love being around children of all ages! I taught elementary school for 5 years before staying at home to be a full time mom. After my youngest son started kindergarten I went back to the profession I love working at a middle school in Bryan for 5 years before coming to CSISD 7 years ago as the Math Specialist at Rock Prairie. This is my third year as the math specialist at Spring Creek Elementary! The students and staff of CSISD are a blessing to me both professionally and personally every single day.

Thuc-Khanh Park - College Hills Elementary

This is my 16th year in education. I have taught 7th and 8th grade math at CSMS for 3 years before going to 3rd grade at Mary Branch in Bryan. I then spent 6 years teaching 8th grade math at AMCMS. This is my fifth year at College Hills as the math specialist. My husband and I have 3 wonderful children and a lively dog named Max.

Jeanna Porter - Rock Prairie Elementary

This is my 13th year in CSISD and my 18th year in education. I graduated from Texas A&M with a degree in Curriculum and Instruction in 1988 and with a masters degree in Educational Administration from Lamar University in 2010. I have taught second, third, fourth, and fifth grades in Spring ISD, Bryan ISD, and College Station ISD. I love spending time with my wonderful husband and three daughters. Life is good!

Lisa Salyer - Oakwood Intermediate

This is my 14th year in education. I have a BS in Interdisciplinary Studies from Texas A&M University. I am currently working on a Masters in Educational Technology Leadership at Lamar University. I have taught Math and Spanish to kids in 5th thru 12th grade. Three of those years I taught 5th and 6th grade dual-language math here at Oakwood. I was a math specialist at Southwood Valley for two years. I taught Spanish I and Spanish III Pre-AP to to 7th and 8th graders at AMCMS for four years. This is my second year to work as a math specialist at Oakwood. My husband David and I have two children. My oldest, Ashley is a junior at College Station High School and my youngest, Ross, is in seventh grade at A&M Consolidated Middle School.

Jennifer Shoalmire - Dual Language Instructional Coach (College Hills, South Knoll, Southwood Valley, Oakwood)

Welcome to CSISD, the most fun, caring and encouraging school district in the area! This will be my 26th year as a professional educator and my 5th year in CSISD. I am a Dual Language Instructional Coach in the Curriculum & Instructional Department. My career has been spent teaching in bilingual classrooms and in administration. I consider myself a learner and I love to share knowledge with others. I also love to read, exercise & challenge myself every day and keep up with my personal statistics. My husband, Alan, and I have been married for 24 years and we live in Navasota and have been there for 18 years. We are originally from Louisiana, but after 25 years we consider ourselves Texans. We have 2 basset hounds and are very active in our community & church. My motto is **God has a plan!** He guides my life & gives me strength. Please call on me anytime you need a listening ear or some encouragement!

Jenny Walterscheid - A&M Consolidated Middle School

Howdy! I am excited to be the Math Specialist for AMCMS. This is my 29th year to teach middle school math in CSISD. Before coming here I taught math and science for four years at Allen Academy in Bryan. My husband, Scott, is a product of CSISD and I have a daughter who attended CSISD schools from kindergarten through her graduation from Consol. I also have a granddaughter at CSMS and a grandson who will be at Rock Prairie Elementary this year.

Holly Weisman - Pecan Trail Intermediate

Howdy! I am one of the Math Specialists at the new Pecan Trail Intermediate School. This is my 12th year in education and my 5th year with College Station ISD. I took a 6 year break in between to stay home with my babies. I have taught First and Third grades, both in self-contained and departmentalized classrooms. I have also worked with students in Kinder-Fifth grades focusing on reading and math. I most recently was the Math Specialist at Southwood Valley Elementary School. I am not a native Texan. I was born and raised in sunny

I use a hands-on, discovery approach to teach mathematics and enjoy using lots of technology in my classroom. I work with small groups of students as well as individual students to fill in gaps and deepen their basic understanding of mathematics. My job is to intervene with individual students as well with math teachers to ensure our students learn. My focus is always on student success but I believe we can have a lot of fun while achieving that success!

Southern California, but I received my bachelor's degree from Texas A&M University in Interdisciplinary Studies with an emphasis in Mathematics and I haven't left College Station since (except to travel). I have been married to the love of my life (also a native Californian) for 17 years and we have three beautiful children ages 8, 12, & 15. Most of our spare time is spent between dance and ice hockey with our kids and we wouldn't have it any other way. We also love to travel and we are huge Aggie fans. I feel very blessed to be in this position to be able to help students to better understand mathematics and also to be able to work side by side with the amazing teachers helping to find new and improved ways to teach mathematics.
